Countless Chances For Money Saving Tomorrow

In Our Unique and Inimitable THURSDAY BARGAIN SALE

We have taught the Washington public to look for great things in our novel THURSDAY BARGAIN SALES—and just as regularly as Thursday rolls around great throngs fill the store every minute of the day. All this bustle and activity puts us on our mettle—encourages us to new feats of underselling. Progressiveness is our watchword. To serve you better than any other Washington store is our constant endeavor—and that we succeed is demonstrated every day—but never so forcibly as on Thursdays, when the whole store makes a supreme effort to emphasize its value-giving.
